

## Enliven Therapeutics Announces Proposed Public Offering of Common Stock and Pre-Funded Warrants

June 13, 2025

BOULDER, Colo., June 13, 2025 /PRNewswire/ -- Enliven Therapeutics, Inc. (Enliven or the Company) (Nasdaq: ELVN), a clinical-stage biopharmaceutical company focused on the discovery and development of small molecule therapeutics, today announced that it has commenced an underwritten public offering of \$200 million of shares of its common stock and, in lieu of common stock to investors who so choose, pre-funded warrants to purchase shares of Enliven's common stock. In addition, Enliven intends to grant the underwriters a 30-day option to purchase up to an additional \$30 million of shares of its common stock. All of the shares of common stock and pre-funded warrants are being offered by Enliven. The proposed offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

Jefferies, Goldman Sachs & Co. LLC, TD Cowen and Mizuho are acting as joint book-running managers for the proposed offering. LifeSci Capital is acting as lead manager for the proposed offering.

The offering is being made pursuant to a Registration Statement on Form S-3, including a base prospectus, previously filed with and declared effective by the SEC, and Enliven will file a preliminary prospectus supplement and accompanying prospectus relating to and describing the terms of the offering, copies of which can be accessed for free through the SEC's website at [www.sec.gov](http://www.sec.gov).
